To the Students of the 6th year Medical Faculty
To the students of the 5th year Dental Faculty
19/20 academic year

Dear Students,

1. Depending on the country you are from, there is a possibility to cross the border without the 14 days quarantine. In general only one border inside the EU could be crossed.

2. For the students of the 6th year Asklepios Program - the schedule remains without the changes. Other requirements are the same as for the English Program students.

3. Subjects for 6th year English Program Medical Faculty left to be completed till the end of the academic year:
   -- Emergency Med 10 days the course 27.05 – 09.06.20 for N1 – classes online;
   -- G&O 10 days 27.05-09.06.2020 for N2 – classes online;
   -- Internal Diseases till 26.05.2020 - practical exam via tools of the internet communication upon conformation from the tutor and theoretical exam 15.06.2020 via CET online.

4. Practical 6th year Books - are to be delivered to the Dean’s Office via regular post or in person. If during the period March – June 2020 a student has been employed or has been working voluntarily at medical institution, a student is obliged to deliver conformation form the place. Such a certification should contain a list of really performed activities; period of employment/volunteering with dates. The information will be enclosed to the part B of the diploma.24

5. Rehearsal LEK exam – 17.06.2020 via CET. Workshops from 18 till 24 of June 2020 via MS Teams.

6. Subjects for Dental Faculty left to be completed online till the end of the academic year according to the timetables and already scheduled exams:

   --Conservative Dentistry with Endodontics (exam)
   --Paedodontics and Dental Prophylaxis (exam)
   --Maxillofacial Surgery with Oncology (exam)
   --Dental Prosthetics (exam)
   --Oral Surgery (exam)
   --Orthodontics (exam)
7. Practical 5th year Books – are to be delivered to the Dean’s Office via regular post or in person. If during the period March – June 2020 a student has been employed or has been working voluntarily at medical institution, a student is obliged to deliver conformation form the place. Such a certification should contain a list of really performed activities; period of employment/volunteering with dates. The information will be enclosed to the part B of the diploma.

8. Graduating this year students have to deliver to the Dean’s Office all the required documents: confirmations from the summer practical training and examination records.

9. Entering the rectorate building or any public places, it is recommends to put masks on, or at least to cover mouth and nose.

10. The restrictions given by the Chief Sanitary Inspectorate to ministry of Science and Higher Education put a strict rules for the practical classes in current situation.

Please be informed:
- mask or shield and gloves are obligatory for each class;
- a student has to have individual stethoscope;
- individual water supply

It is forbidden:
- to have a mobile phone or any other individual belongings during the classes;
- to share the tools with colleagues

11. The University is obliged to provide sanitizers; to organize classes in a safe way including the cleaning procedures for surfaces and tools; to prepare the area inside and outside the hospitals the with social distancing requirements.

Yours sincerely,
