Regulations of the classes on Preclinical Endodontics

**Person responsible for didactics** – dr n. med. Ewa Marek

**Location**: Zakład Stomatologii Zachowawczej Przedklinicznej i Endodoncji Przedklinicznej, al. Powstańców Wlkp. 72, bud. V, Szczecin

**Hours of exercises**: 60

1. The exercises are obligatory. Student has to be prepared on each exercises.
2. Absence at the classes can be excused in case of health problems, confirmed by the physician from the students’ out-patient clinic in 2 weeks. Missing more than 3 classes makes it impossible to take the final exam.
3. If student during the classes doesn’t pass the theory cannot take a part in a practical exercises.
4. Student has two chances to pass the theory, setting first time with the teacher and second time with the teacher responsible for didactics or with the Head of the Department.
5. Leaving the classes is unacceptable, student will get absence note.
6. For obtaining a credit it is essential to attend all classes, pass the theory on each exercises and make all dentistry procedures.
7. The exam fall into two parts: a practical exam and a test. To pass practical part of the exam student has to prepared and fill the root canal in incisor accurately. Student can take a part in test only if passed practical exam. Test consists single choice questions. 60% correct answers is needed to pass the test.
8. The student has to:
   - Have the medical uniform, the trousers, the footgear, the gloves, the protective goggles, the mask
   - Be out of a watch, a bracelets, a rings, a earrings
   - The nails should be trim and hair tied up
9. During the exercises and the final exam student is not allowed to use any electronic device.

10. Student has to have notebook in which should make a special chart.

<table>
<thead>
<tr>
<th>Date</th>
<th>Tooth number</th>
<th>Diagnosis</th>
<th>Treatment</th>
<th>Signature</th>
<th>ECTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>18.02.2016</td>
