

STUDENT'S PRACTICE RECORD CARD

major: **dentistry**
year of studies: **SECOND**

Student

.....
(Name/s and Surname/s)

.....
d.o.b (dd/mm/yyyy)

is entitled to complete a medical practical training in accordance with the following program:

After the 2nd year of studies, student is obliged to complete the practical training as a dental assistant - **120hrs.**

Absence during the training can be justified by a formal doctor's note only. In case the illness is longer than 1 week, the practical training should be prolonged accordingly.

Completed summer training should be confirmed by the Supervisor and signed by the Head of the Clinic or Department.

A Head of the Clinic or a designated Supervisor (dentist) sets the duties and schedule of practice and supervises the work of the student. Completion of the training awards 4 ECTS credits.

Practical training program:

- practical introduction to the work of a dental assistant and an active part in dental prophylaxis
- consolidation and improvement of skills in preparation of dental materials used for carious cavities fillings, endodontic treatment, prosthetic treatment
- consolidation and improvement of knowledge of materials used during dental treatments
- consolidation and practical use of knowledge of dental equipment and instruments
- deepening of knowledge of sterilization and disinfection of dental equipment, tools and wound dressing materials
- consolidation and practical use of knowledge of dental office preparation, and securing dental equipment, instruments and materials
