

STUDENT'S PRACTICE RECORD CARD

major: **dentistry**

year of studies: **THIRD**

Student

.....
(Name/s and Surname/s)

.....
d.o.b (dd/mm/yyyy)

is entitled to complete a medical practical training in accordance with the following program:

After the 3rd year of studies, student is obliged to complete the practical training in a dental office - 120hrs.

Absence during the training can be justified by a formal doctor's note only. In case the illness is longer than 1 week, the practical training should be prolonged accordingly.

A Head of the Clinic or a designated Supervisor (dentist) sets the duties and schedule of practice and supervises the work of the student.

Absence during the practical training should be compensated in offices which offer services in conservative dentistry, dental surgery and dental prosthetics.

Completed summer training should be confirmed by the Supervisor and signed by the Head of the Clinic or Department. Completion of the training awards 4 ECTS credits.

Practical training program:

- perfecting dental radiology diagnostics, including radiologic, ultrasound and electronic testing
- participation in teeth preparation for permanent restoration
- removing of the dental crown and bridge – participating in the treatment
- impressions and functional impressions - participating in the treatment
- practical application of the endodontic instruments and materials in the endodontic treatment
- oral hygiene training
- removing dental plaque and supragingival tartar
- physiotherapy – ionotherapy, hydrotherapy (and if possible, a laser treatment)
- correction of the occlusal plane – participating in the treatment
- contemporary methods of the dental tools disinfection and sterilisation - revision
- materials, instruments and dental equipment; tools sharpening – revision
