

Dear 1st year Prospective Student of MEDICAL AND DENTISTRY majors of PUM in 23/24

1	First meeting 18.09.2023 is scheduled for you with the Dean of the respective major and the Dean's Office Staff. Meeting point is Rectorate building at Rybacka street 1. Medicine English Program group division is according to the alphabet. N1 = last names from A to B . N2 = C - J; N3 =K - P; N4 Q - Z; NAsklepios accordingly. Educational Contracts will be signed during the first meeting. Rules and Regulations of studies will be explained.
2	You already have started the obligatory on-line courses on Physics, Biology and Chemistry. One hour of F2F classes is scheduled for each group and for every subject starting from 19.09.2023. You will have the possibility to ask question to your Tutor about the on-line course, difficult tasks or extra material on the subject. During the whole semester you will be using these books. Chemistry classes are scheduled in Language Department; Physics is scheduled at the Department of Biophysics (same building as Language Department); Biology is scheduled at Unii Lubelskiej Hospital. Please use app PUM&CITY for map access [application is available in AppleStore and GoogleStore for free]
3	Polish language classes – „ <i>Studium Praktycznej Nauki Języków Obcych</i> ” so called <i>Language Department</i> , Ku Słońcu 12 street.
4	Physical Education classes - " <i>Studium Wychowania Fizycznego i Sportu</i> ", Dunikowskiego 6a street, behind the Students' Dormitory.
5	Library. Building is situated in front of the Dormitories. It is really worth to see it. You have to learn how to use it. One hour is planned for you to visit the Main Library of the University. You will learn how to access the resources including books and magazines on-line. <i>Powstańców Wielkopolskich 20 street.</i>
6	Trip around Szczecin. We invite you for a guided walking tour around the City of Szczecin with a professional English speaking guide. Presence is not obligatory, but who knows, maybe you will meet your best friend that day. Predicted dates for the trip 20.09.2023 and 03.10.2023. Please remember about comfortable shoes and appropriate for the weather clothing.
7	Week after the Orientation days is free from any school activities, except on-line pre-courses.
8	Inauguration Ceremony Day 02.10.2023. So called Rector's Day - traditionally no classes for the students.
9	Regular classes start from the 3rd of October 2023 according to the schedule prepared for each group for winter semester 23/24. Usually published 2 weeks prior the semester.
10	IELTS exam - 23.09.2023 - room 109 in Rectorate Building. Registration deadline - 06.09.2023.
