§1

Teaching Methods

Sposób prowadzenia zajęć

1. Classes are conducted in the form of lectures (10 lectures / 20 h), in accordance with the schedule and plan of studies in the form of direct contact or in special cases (parent/enabling act) conducted remotely, in the form of e-learning, with the use of distance learning methods and techniques.
2. Presence during the lectures is obligatory.
3. Taking pictures as well as video/voice recording during classes is prohibited. Students who are noticed that they are recording voice / video or taking photos during the class will be expelled from the class.
4. The persons conducting the classes do not consent to the sharing or publishing of their image and voice by third parties.

§2

Mode and forms of compensation of missed activities

Sposób i formy wyrównywania zaległości, w tym odrabiania zajęć na skutek nieobecności

1. During the course, the student may (in the case of illness confirmed by a medical or dean's certificate) miss a maximum of 3 lectures.
2. Each absence from the classes must be excused at person responsible for the course, within a maximum of 7 days from the occurrence of the absence.
3. As a form of making up for the classes, it is assumed that the students become acquainted with the discussed topic on their own.
4. Exceptional cases of absence (e.g. chronic illness) will be considered individually, in consultation with the Dean/Vice-Dean.

§3

Requirements for course completion in order to sit the credit of exam

Warunki i sposoby dopuszczania Studentów do zaliczeń i egzaminów

1. The condition for taking credit for the classes is attending lectures in accordance with §2.
2. Absence from four or more lectures makes it impossible to obtain credit for the faculty.

§4

Principles of attending classes during the academic year

Zasady dopuszczające Studenta do poszczególnych zajęć w danym roku akademickim

1. The student is required to actively participate in the classes.
2. The student will not be allowed to attend classes if he/she is late for classes, except in special cases. The student bears the consequences of being late.
3. Students will not be admitted to the classes or will be expelled from them in the event of improper behavior contrary to the Regulations of the University or other regulations in force at the University, behavior disrupting the conduct of classes threatening health, life or property, as well as in the event of a gross lack of personal culture in the relationship to the teacher or other Students participating in the classes.
4. Not admitting to classes or expelling from the classes in cases mentioned above is tantamount to being absent from the classes.
5. The student is obliged to wear his/her ID in a visible place during the classes.

§5

Forms of credits, exams

Warunki i sposoby przeprowadzania zaliczeń przedmiotu i egzaminów

1. The condition for obtaining a credit for the grade from the classes is attending lectures in accordance with §2 and passing the final test for the subject.
2. The final test is in the form of an on-line test. The test contains multiple-choice questions (one, two, three or four answers can be correct) that are randomly selected by the system. The points obtained are counted automatically by the system and a score is issued on their basis. The questions concern the knowledge provided during the lectures.
3. The following rules apply during the final test:
 - a) Student is obliged to present a document with a photo, and before taking the place, put away all notes, notebooks, bags, folders and electronic equipment not approved for use during the exam in the designated place.
 - b) During the test Student is obliged to leave the switched off mobile phone in designed a place.
 - c) During the test Students are not allowed to communicate with each other.
 - d) Multiple logging, swiching the windows etc. is forbidden. All technical problems should be reported to the teacher immediately. The student is required to actively participate in the classes.

- e) Failure to comply with the above-mentioned conditions entails the consequences contained in the Study Regulations.
4. If the Student does not take the credit test within the first deadline set by the Institute and does not provide an excuse, the Student proceeds to the next date - the first retake date. The final test has the 1st and 2nd retake dates. For Students who did not take the test by the specified date due to random reasons (sick leave, dean's leave, etc.), an additional date is set.
5. The questions included in the final test cover the knowledge provided during the lectures or provided by the teacher.

§6

Circumstances of exemption from credits or exams *Warunki zwalniania z niektórych zaliczeń lub egzaminów*

Not applicable

§7

Form of admission to the pre-scheduled examination, referred to § 32 point 8 of Rules & Regulations of PUM

Warunki dopuszczenia Studenta do egzaminu w tzw. przedterminie, o którym mowa w § 32 ust. 8 regulaminu Studiów

Not applicable

§8

Assessment criteria *Kryteria oceniania*

1. Elective classes end with a grade. Passing takes the form of a final test.
2. To receive a positive grade and complete the course Student have to obtain a minimum of 60% of correct answers in the test (in accordance with the Rules and Regulations of Study).
