§1
Sposób prowadzenia zajęć
Teaching Methods

1. The classes are conducted in the form of lectures (2 hours), seminars (16 hours) and exercises (12 hours).
2. Presence on exercises and seminars is obligatory.
3. Leaving the classes is unacceptable, student will get absence note.
4. Four lates to classes means one absence note without an excuse.
5. Being late more than 20 minutes is tantamount to absence from the exercises.

§2
**Sposób i formy wyrównywania zaległości, w tym odrabiania zajęć
na skutek nieobecności**
Mode and forms of compensation of missed activities

1. Absence at the classes can be excused in case of health problems, confirmed by the physician from the students' out-patient clinic in a 2 weeks.
2. Four and more absence at the exercises results in not getting a credit.
3. The student has possibility to make up for the arrears due to absences after prior theoretical preparation of the given exercises in which he was absent, and then to have a credit for the teacher. After obtaining the credit for the teacher, the student may start the practical part of the course.
4. If the student doesn't pass the theory of the exercises on which was absences, cannot attend to the practical part of the exercise.
5. Students can make up classes during the exercises (if the task assigned to the exercise was completed earlier), during the last exercises at the end of the semester, or after an individual consultation with the teacher.
6. The student can make up classes only in the presence of his teacher conducting exercises. Any deviation from this rule requires the arrangement with the lead teacher.

§3
Warunki i sposoby dopuszczania studentów do zaliczeń i egzaminów
Requirements for course completion in order to sit the credit of exam

1. For obtaining a credit it is essential to attend all classes, pass the theory on each exercise and make properly all dentistry procedures.

§4
**Zasady dopuszczające studenta do poszczególnych zajęć w
danym roku akademickim***
*Principles of attending classes during the academic year**

1. Student has to be prepared on each exercises.
2. If student during the classes doesn't pass the theory cannot take a part in a practical exercises.
3. The student will not be admitted to the classes in the absence of the necessary clothing required for the classes of a given type (medical apron / blouse with short or long sleeves, pants, replacement shoes).
4. The student will not be admitted to the classes or will be expelled from them in the event of improper behavior contrary to the study regulations or other regulations in force at the University / hospital / clinic, behavior disrupting the conduct of classes, threatening health, life or property, as well as in the event of a gross failure personal culture in relation to the teacher or other people participating in the classes. Not allowing or asking you to leave the classes is tantamount to being absent from the classes.
5. Theoretical credit has the form of single or multiple choice test, essay or oral answer. To pass the theory it is needed to answer on 60% of theoretical written questions. The credit for individual classes is not expected. Depending on range of the material which should be credited there are respectively 10 or 15 test questions and 5 or 10 essay questions.
6. Student has two chances to pass the theory, setting first time with the teacher and second time with other teacher or with the Head of the Department in written form at the end of the semester.

7. The credit for individual classes may take place during each class or may include more material (2-4 classes). Students are informed about scope and dates well in advance.

§5

Warunki i sposoby przeprowadzania zaliczeń przedmiotów i egzaminów

Forms of credits, exams

1. The exam consists of a theoretical and practical part.
2. Students who have passed the theory and all the practical procedures and passed the practical exam, are able to attend to the theoretical part of the exam.
3. The practical exam is done on the last classes. The practical exam consists in the correct, independent execution of the assigned 5 tasks. Each task must be completed correctly to pass the exam. There are no grades for the practical exam.
4. The theoretical exam is in the form of a test (30 questions). First exam re-take is in the form of a test (30 questions), second exam re-take is in the form of essay (10 questions).
