Prerequisite /essential requirements	Knowledge	Basic knowledge of the Internet use rules
	Skills	Basic computer skills, basic skills in using web browsers
	Competences	Habit of self-education

Description of the learning outcomes for the subject /module			
No. of learning outcome	Student, who has passed the (subject) knows /is able to /can:	SYMBOL (referring the standards) ZEK	Method of verification of learning outcomes *
W01	knows the organizational structure and functioning of the library		test
W02	knows the librarys use rules		test
W03	has knowledge about traditional and electronic sources of medical information: databases, e-books and e-journals available through the library		test
U01	is able to find required book or journal in the electronic library catalog, place an order for a book using the electronic library catalog, check his/her library account	K_D.U15	test and check the practical skills
U02	is able to search literature on a specific topic in biomedical databases available in PMU	K_D.U15	check the practical skills
U03	is able to get at relevant sources of scientific information	K_D.U15	check the practical skills
K01	has habit of self-education	K_K01	test
K02	is able to use information technology to search for information	K_K01	test and check the practical skills

Table presenting learning outcomes of the subject/module in relation to the form of classes								
No.	SYMBOL (referring the standards) ZEK	Type/s of training						
		Lecture	Seminar	Practical classes	Clinical classes	Other...
W01	knows the organizational structure and functioning of the library							X
W02	knows the librarys use rules							X
W03	has knowledge about traditional and electronic sources of medical information: databases, e-books and e-journals available through the library		X					X
U01	is able to find required book or journal in the electronic library catalog, place an order for a book using the electronic library catalog, check his/her library account		X					X
U02	is able to search literature on a specific topic in biomedical databases available in PMU		X					
U03	is able to get at relevant sources of scientific information		X					
K01	has habit of self-education		X					X
K02	is aware of new scientific information		X					

Module contents no.	Description of teaching programme	No. of hours	References to learning outcomes
Seminar:			
TK.01	General information about the library	0,5	W01, K01
TK.02	Library's use regulations and services, especially regulations for accessing the collection	0,5	W02, K01
TK.03	Use the library's electronic catalog ALEPH	1	W03, U01, K01
TK.04	Bibliographical and fulltext medical databases: different methods of searching publications, comparing search results when searching using different search methods	2	W03, U02, U03, K02
TK.05	Online books and journals available on the PMU website	1	W03, U01, U03, K02

Booklist
Obligatory literature:
1. Pomeranian Medical University – Main Library. https://www.pum.edu.pl/english/library
2. Main Catalog - Pomeranian Medical University. http://bgpam8.pam.szczecin.pl:8991/F/?CON_LNG=ENG&func=find-b-0
3. Instructions for use Aleph. http://212.14.5.157/%7Einstr_a/cmsmadesimple-1.6.6/

Student's workload (balance sheet of ECTS credits)			
Form of student's activity (in-class participation; activeness, produce a report, etc.)	Student's workload [h]		
	Tutor	Student	Average
Contact hours with the tutor	3	3	
Time spent on preparation to seminars/ practical classess			
Time spent on reading recommended literature			
Time spent on writing report/making project			
Time spent on preparing to colloquium/ entry test			
Time spent on preparing to exam			
Other	2	2	
Student's workload in total	5	5	
ECTS credits for the subject (in total)	0		
Remarks			
Credit			

* Selected examples of methods of assessment:

EP – written examination

EU – oral examination

ET – test examination

EPR – practical examination

K – colloquium

R – report

S – practical skills assessment

RZC – practical classes report, incl. discussion on results

O – student's active participation and attitude assessment

SL – lab report

SP – case study

PS – assessment of student's ability to work independently

W – entry test

PM – multimedial presentation
