

Dear future Graduates of Medicine and Dentistry,

We are pleased to invite you to participate in **practical training**, organized by Centre of Postgraduate Training of Medical University of Lodz and scheduled to begin in **Autumn 2026**.

Important formal requirements:

- In accordance with **Article 15p of the Act on the Professions of Physician and Dentist**, the completion of practical training is one of the mandatory conditions for applying for the right to practice the profession.
- The training must be completed **no later than 2 years** after obtaining the professional title of a physician or dentist.

Application details:

- **Planned start date:** Autumn 2026.
- The application form will be available after **May 15, 2026**, at:
 <https://okp.umed.pl/application-form/>

We encourage you to stay updated and plan your career path!
