

Dear 1st year Prospective Student of MEDICAL and DENTISTRY majors of PUM in 25/26

1	<b>First meeting</b> 15.09.2025 is scheduled for you with the Dean of the respective major and the Dean's Office Staff. Meeting point is room 0.25 (Please find the map) at Unii Lubelskiej street University Hospital Nr 1). Medicine English Program group division is according to the alphabet. N1 = last names from A to C . N2 = D - L; N3 =M - Si; N4 Sk - Z; NA = Asklepios. ND =Dentistry. Rules and Regulations of studies will be explained. Educational Contracts will be signed during the scheduled hours in Rectorate building.
2	You start the obligatory <b>on-line courses</b> on Physics, Biology and Chemistry. The on-line course will be closed on 15.01.2026. Failing to complete the course will result in lack of extra points on these subjects in winter semester. One academic hour of F2F classes is scheduled for each group and for every subject starting from 16.09.2025. You will have the possibility to ask your Tutor question about the on-line course, difficult tasks or extra material on the subject. During the whole semester you will be using these books. Chemistry classes are scheduled in Language Department; Physics classe are scheduled at the Medical Physics Department (same building as Language Department); Biology is scheduled at Unii Lubelskiej Hospital.
3	<b>Polish language</b> classes – „ <i>Studium Praktycznej Nauki Języków Obcych</i> ” so called <i>Language Department</i> , Ku Słońcu 12 street. The classes constitute an introduction to the obligatory course in Polish language held at the University. During the lessons, the student will learn the basic vocabulary and expressions used in everyday situations and become familiar with the following: Pronunciation: sounds in Polish; Vocabulary: information signs, names of the streets and districts in Szczecin, university staff/ faculty members and facilities, emergency services in Poland, common expressions; Formal vs. informal language: forms of address, greeting and farewells (declension of personal official pronouns and nouns)
4	<b>Physical Education</b> classes - " <i>Studium Wychowania Fizycznego i Sportu</i> " , Dunikowskiego 6a street, behind the Students' Dormitory. You have to show up at the Department and choose the discipline you would like to attend during the regular classes.
5	<b>PUM Library.</b> Building is situated in front of the Dormitories. It is really worth to see it. You have to learn how to use it. One hour is planned for you to visit the Main Library of the University. You will learn how to access the resources including books and magazines on-line. <i>Powstańców Wielkopolskich 20 street.</i>
6	<b>Discover Szczecin!</b> We invite you to join a guided walking tour of the city of Szczecin with a professional English-speaking guide. Presence is not obligatory, but who knows, maybe you will meet your best friend that day. First walk is scheduled for 16.09.2025. The date of the next trip will be agreed during our first meeting. Please remember that for a longer walk you will need comfortable shoes and weather-appropriate clothing.
7	<b>Week after</b> the Orientation days is free from any school activities, except the on-line pre-courses.
8	<b>Inauguration Ceremony Day</b> 01.10.2025. So called Rector's Day - traditionally no classes for the students.
9	Regular classes start from the 02.10.2025 according to the schedule prepared for each group for winter semester 25/26. Usually published 2 weeks prior the semester.
10	<b>IELTS exam</b> -English professionsy certificate could happen only for individual request during the last week of September, for those who still need better results.
