AUTHOR'S STATEMENT

Please accept for publication in the *Pomeranian Journal of Life Sciences* a scientific article. I declare that my article should be assigned to one of the three scientific disciplines mentioned below:

medical sciences health sciences pharmacology and pharmacy
and should be considered as a:

original research review article case report

(name of the author/s and title of the paper)

Publication ethics

I declare that the work has not yet been published in whole or in part, is not plagiarized or autoplagerized and has not been submitted in any other journal for publication. All authors have actively contributed to its creation in the following percentage (the sum of all percentage points should be 100):

1. author - _____% 2. author - _____% 3. author - _____% 4. author - _____%
5. author - _____% 6. author - _____% 7. author - _____% 8. author - _____%

Consent to publication - Licence

I agree to publish the article on all possible media known at the time of submission and grant a free license to make the work available under the Creative Commons Attribution – Non-commercial Use – No Derivative Works 3.0 PL (CC BY-NC-ND 3.0 PL).

Research ethics and scientific integrity

I declare that the paper to be published in the *Pomeranian Journal of Life Sciences* was written in accordance with the principles of scientific integrity, bioethics of research and the accepted standards in science.

Convergence of scientific interests of the authors

I declare that the scientific interests of all authors are consistent with the field of science to which the paper was assigned.

Openness of research funding

The paper sent to the editorial office of the *Pomeranian Journal of Life Sciences* is financed from the following funds:

.....
(give name and number of the project)

I declare that I have read and accept the Information Clause.

(legible signature of the author)

Statement by the author

Please accept this scientific article for publication in the Pomeranian Journal of Life Sciences, belonging to one of the three fields of science (mark the appropriate box with a cross):

medicine, health science, pharmaceutical science and belonging to one of the three types of papers (mark the appropriate box with a cross):

original paper, review, case study.

Below you will find the necessary information concerning the processing of your personal data in accordance with Regulation 2017/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC, hereinafter referred to as GDPR, in connection with the preparation and conclusion of this agreement.

Identity of the controller

The controller of your personal data is the Pomeranian Medical University in Szczecin, Rybacka 1, 70-204 Szczecin, Poland.

Contact of the Data Protection Officer: iod@pum.edu.pl or at 914800790

Processing objectives and legal basis

Purpose of processing

Legal basis

Conclusion and performance of the contract

Article 6(1)(b) GDPR

Performing legal obligations, e.g. issuing invoices or bills, keeping accounting books

Article 6(1)(c) GDPR

Investigation and defence against possible claims

Article 6(1)(f) GDPR within the legitimate interest of the controller

Internal, administrative, analytical and statistical purposes.

Data recipients

Your personal data may be shared with the following categories of recipients:

1. Entities it must be disclosed to under the Law.
2. Entities with which we cooperate in order to execute our rights and obligations (providing IT, marketing, legal, debt collection, HR, accounting, transport, courier and payment services).
3. Entities carrying out financial operations (banks and other institutions).
4. Our contractors (in connection with the mutual agreements).

Data retention period

Your personal data will be processed throughout the time the contract is performed, as well as until the statute of limitations for claims and the period of retention of documents for accounting purposes and for tax reasons. Upon expiry of the last of these periods, your data will be deleted or rendered anonymous by us.

Rights of the data subjects

In connection with the processing of your personal data by us, you may exercise the following rights of access to your data, rectification (correction), deletion, restriction of processing and transfer. You also have the right to lodge a complaint with the data protection supervisory authority, i.e. the President of the Office for Personal Data Protection. Regardless of these rights, you may object to the processing of data carried out in the legitimate interest of the data controller or the public interest. Your personal data will cease to be processed for these purposes, unless it is demonstrated that there are valid legal grounds for doing so that are overriding your interests, rights and freedoms, or that your data are necessary for the possible establishment, assertion or defence of claims.

To ensure that you are entitled to exercise your rights, we may ask you to provide additional information to identify you.

Information about your freedom or obligation to provide data

Providing data is a condition of concluding a contract, and not providing it may result in the impossibility of concluding or performing the contract.

Additional information

We will not transfer your data outside the EEA.

We do not make decisions in an automated way, i.e. on the basis of automatic data analysis.
